Qualification specifications

<p>Qualification award</p>	<p>This qualification may be awarded by the organisation with whom the trainee is enrolled. This may be an accredited training provider with an approved programme leading to award of the qualification, or the industry training organisation (HITO) that has arranged training leading to award of this qualification.</p> <p>The formal document certifying the award of this qualification bears the New Zealand Qualifications Framework logo. It will</p>
-----------------------------------	--

	also include the name and/or logo of the awarding body.
<p>Evidence requirements for assuring consistency</p>	<p>All TEOs either arranging training or delivering programmes that lead to the award of the qualification are required to participate in a consistency process scheduled by NZQA.</p> <p>This will involve reviewing evidence associated with graduate's achievement of outcomes, establishing a periodic cycle for a review focus for the external consistency review, and agreeing acceptable standards and/or benchmarks for qualification outcome achievement, and areas for improvement.</p> <p>To demonstrate how graduates are achieving the qualification graduate profile outcomes, TEOs are required to produce their own evidence in a high level report.</p> <p>Evidence will include the following:</p> <ul style="list-style-type: none"> • Employer surveys to determine if graduates of the qualification are achieving graduate profile outcomes. • Evidence of effective processes to identify changing training needs of industry. • A range of workplace evidence demonstrating that graduates meet the graduate profile outcomes. • Any other relevant evidence as appropriate. <p>The purpose of the managing consistency event is to:</p> <ul style="list-style-type: none"> • review evidence associated with achievement of qualification outcomes at the level of the qualification. • identify issues or opportunities associated with outcome achievement. <p>Further information can be found on the NZQA website.</p>
<p>Credit transfer and recognition of prior learning arrangements</p>	<p>Recognition of existing skills and knowledge will be arranged by the tertiary education organisation (TEO) providing the programme leading to the qualification.</p> <p>TEOs must have policies and procedures in place for managing credit transfer and for recognising prior learning and current competency. These policies and procedures, along with details of associated fees, must be available to the applicant prior to their enrolment.</p> <p>To facilitate credit transfer, TEOs must clearly demonstrate the equivalency between each of the outcomes in the graduate profile, and the assessment components of their programmes.</p>
<p>Minimum standard of achievement and standards for grade</p>	<p>The minimum standard of achievement required for the award of the qualification will be the achievement of all the</p>

endorsements	graduate outcomes in the graduate profile. There are no grade endorsements for this qualification.
Entry requirements (including prerequisites to meet regulatory body or legislative requirements)	N/A
